RATE CASE HEARING
CONCLUDED IN OGDEN

Argument Taken to Salt Lake,
 Where Arguments Will be
 Heard Saturday.

OGDEN, Oct. 28.—The hearing of the rate discrimination case before Interstate Commerce Commission C. A. Smith was concluded yesterday afternoon and adjournment was taken until next Saturday morning at Salt Lake City, when four members of the interstate commerce commission will hear arguments of the attorneys for both sides.

The chief witness for the complainants was William Glasmann, president of the Four-state Fair association, who was subpoenaed to show that Ogden was discriminated against by the railroad rates not only in the matter of rates, but in the regular tariffs of the roads. He stated that the rate from Rock Springs, Wyoming, to Ogden was \$7.70, while the rate from Rock Springs to Salt Lake City, 37 miles farther, was \$8.25.

Commissioner Prouty asked Mr. Glasmann what the cost of a ticket from Rock Springs to Ogden would be at the Salt Lake rate. He responded, \$7.70.

A feature of the testimony particularly gratifying to the people of Ogden was that given by D. E. Dwyer, general passenger agent of the Oregon Short Line company, that during the months of September and October, at the Four-State fair which was held in Ogden, and the Mormon Church general conference and state fair, the railroad company sold more than half as many tickets this year to Ogden as it did to Salt Lake City.

In support of the testimony of Mr. Dwyer the following table was introduced:

From common territory to both points—number of tickets sold:	1908	1909
To Ogden and return for the Fair-State fair.....	1,029	3,253
To Salt Lake City for the same purpose.....	5,762	6,138

In addition to the above table, the railroad company introduced a number of tariff sheets showing the rates that have been made semi-annually for the Mormon Church general conference and the state fair, also the rates for the round trip granted to Ogden during the past two years.

U. S. IMMIGRANT INSPECTOR.

OGDEN, Oct. 28.—United States Immigration Inspector Vaino Jaatinen was in Ogden Thursday investigating the case of Wong Gee, manager of the Wah Sing Lung company, who has applied to the department of immigration to be allowed to bring his son, Wong Loy Wong, to this country for the purpose of entering the boy as making a "good American" citizen.

Mr. Jaatinen is being held at the local police station pending the investigation of the commercial status of his father and it was then likely that he will be allowed to remain in this country, as the Wah Sing Lung company is an old, well-established firm, and is highly respected by local merchants. Mr. Jaatinen also made his visit on the occasion of other duties connected with his work in the government service and asked on the local police officers and the sheriff for the purpose of ascertaining whether any foreigners were being held as prisoners at the present time.

PETERSON-HANSEN
NUPTIALS AT EPHRAIM

(Special Correspondence.)
 EPHRAIM, Utah, Oct. 28.—Aaron Hansen and Miss Lila Peterson of this place were married in the Mantel temple today. When the young couple were going to the county seat to obtain their marriage license they came near having a serious mishap in a runaway. The horse broke the buggy and threw the couple out on the road. The young man was dragged some distance, but neither was seriously hurt. The bridegroom leaves on Sunday for a mission to England, to be gone probably two years or more. A farewell social was given in honor of the Hansen nuptials in this city.

The baby of Mr. and Mrs. Hans Christensen was climbing a stairway yesterday, when it fell to the bottom, breaking its arm.

IMPETUS GIVEN GYM
MOVEMENT AT MT. PLEASANT

(Special Correspondence.)
 MT. PLEASANT, Oct. 28.—On Wednesday evening, the ward officers of both the Mt. Pleasant wards and President C. N. Lund met and discussed ways and means for the establishment of a gymnasium. It was finally decided that the bishops of both wards and President C. N. Lund act as a committee to determine the cost of furnishing the L. D. S. assembly hall for gymnasium work, and to ascertain if the trustee-in-trust is willing for such disposition of the building.

It is thought the expense will not exceed \$2,000 or \$3,000. The ward officers started the fund by contributing \$100, Bishop Seely \$20, and others followed. Prospects are bright for a gymnasium for Mt. Pleasant in the near future.

DORRIS RANCH ROBBED.

MT. PLEASANT, Oct. 28.—During the week the ranch of C. R. Dorris, a few miles west of Ephraim, was visited by thieves and the following articles taken: A load of hay, new brass kettles, a tin bucket, two nose bags and \$2 worth of condensed cream, all valued at about \$25. Cries are held which will likely lead to the arrest of the guilty parties.

BLIGHT LIQUOR BUSINESS.

MT. PLEASANT, Oct. 28.—John Averett was found guilty today of the illegal selling of intoxicants, but A. B. Walden, justice of the peace, deferred sentence until Saturday. The trial of the case commenced Thursday, and a number of witnesses were examined, but the prosecution had only one witness.

Edward Sorenson testified that he went into the saloon of Gunderson & Averett Oct. 18 and was treated by Averett.

The defense endeavored to get Sorenson to say that the drink might have been root beer, but witness knew Lager when he tasted it and insisted this was Lager. Later on he said he was not so certain, but the jury had already been convinced.

The prosecution also showed that five barrels of beer had been shipped to the saloonists since Oct. 1, but both Gunderson and Averett said this was exclusively for their families. They admitted that the stock of liquors in the saloon was about the same as when they had been open.

O'Neil rushed to his assistance, but before medical aid arrived he was dead.

REPUBLICANS OF LEHI
ISSUE PRONUNCIAMENTO

(Special Correspondence.)
 LEHI, Oct. 28.—Being fully convinced that the majority of the citizens of Lehi are in favor of prohibition, the city council declined to put the city to the test on the voting machine question. Consequently on this decision the Republican party candidates send out the following pronouncement:

"To the Citizens of Lehi:
 'Inasmuch as the nominees of the Republican party in Lehi City have been accused of not being in favor of prohibition, we, the nominees of said party, do hereby declare ourselves to be unconditionally in favor of prohibition for Lehi City.'

"And, inasmuch as the present city council has not seen fit to submit the matter of prohibition to a separate and direct vote of the people, as recommended by the Republican platform, we, the nominees of the Republican party, wish to go on record as endorsing the action of the present city council in passing what is known as the prohibition ordinance, and, if elected, we will uphold and rigorously enforce, by every legal and proper means, said prohibition ordinance, unless changed by a demand of the people."

Declaration is signed by James H. Gardner, G. A. Goates, Walter L. Webb, W. E. Racker, R. L. Comer, J. B. Bone, J. C. Gough and Samuel Taylor.
